Southern Division
Naval Facilities Engineering Command
Post Office Box 10068
Charleston, South Carolina 29411-0068

Dear Mr. Murphy:

Department personnel have completed the review of the Final Addendum Workplan for the Interim Remedial Action Building 101 at NAS Jacksonville. The document was determined to be satisfactory for its purpose. Unless you or the EPA have any changes to incorporate, it should be considered "Final".

If I can be of any further assistance with this matter, please contact me at 904/488-0190.

Sincerely,

[Signature]
Eric S. Muzie
